# Recombinant SARS-CoV-2/COVID-19 NTD Protein (orb1141454)

|                        |                                                                                                                                   |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | Recombinant SARS-CoV-2/COVID-19 NTD Protein                                                                                       |
| <b>Species/Host</b>    | Mammal                                                                                                                            |
| <b>Note</b>            | For research use only                                                                                                             |
| <b>Purity</b>          | ≥ 90% as determined by SDS-PAGE                                                                                                   |
| <b>Source</b>          | COV372 was expressed from Mammalian cells expression system and the target gene encoding Ser13-Leu303 is expressed with C-His Tag |
| <b>Expiration Date</b> | 6 months from date of receipt.                                                                                                    |
