

## Product Datasheet

### Human CLEC5A ELISA Kit (orb1145719)

|                            |                                                                                                                                                                                   |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Human CLEC5A ELISA Kit                                                                                                                                                            |
| <b>Reactivity</b>          | Human                                                                                                                                                                             |
| <b>Range</b>               | 31.2 pg/ml - 2,000 pg/ml                                                                                                                                                          |
| <b>Tested Applications</b> | ELISA                                                                                                                                                                             |
| <b>Immunogen</b>           | Expression system for standard: NS0; Immunogen sequence: Y26-K188                                                                                                                 |
| <b>Storage</b>             | Store at 4°C for 6 months, at -20°C for 12 months. Avoid multiple freeze-thaw cycles (Ships with gel ice, can store for up to 3 days in room temperature. Freeze upon receiving.) |
| <b>Note</b>                | For research use only                                                                                                                                                             |
| <b>Sample Types</b>        | cell culture supernatants, serum and plasma (heparin, EDTA)                                                                                                                       |
| <b>Uniprot ID</b>          | <b>Q9NY25</b>                                                                                                                                                                     |
| <b>Sensitivity</b>         | 10 pg/ml                                                                                                                                                                          |
| <b>Expiration Date</b>     | Please enquire.                                                                                                                                                                   |
