

## Product Datasheet

### Human GFPT2 ELISA Kit (orb1199040)

|                            |                                                                       |
|----------------------------|-----------------------------------------------------------------------|
| <b>Description</b>         | Human Glutamine Fructose-6-Phosphate Transaminase 2 (GFPT2) ELISA Kit |
| <b>Reactivity</b>          | Human                                                                 |
| <b>Range</b>               | 0.312-20ng/mL                                                         |
| <b>Tested Applications</b> | ELISA                                                                 |
| <b>Note</b>                | For research use only                                                 |
| <b>Application notes</b>   | sandwich                                                              |
| <b>Sample Types</b>        | serum, plasma, tissue homogenates or other biological fluids.         |
| <b>Uniprot ID</b>          | <b>O94808</b>                                                         |
| <b>Sensitivity</b>         | 0.114ng/mL                                                            |
| <b>Entrez</b>              | <b>9945</b>                                                           |
| <b>Expiration Date</b>     | Please enquire.                                                       |
