# Human Cellular Repressor Of E1A Stimulated Genes 1 (CREG1) ELISA Kit (orb1203052)

|                          |                                                                      |
|--------------------------|----------------------------------------------------------------------|
| <b>Description</b>       | Human Cellular Repressor Of E1A Stimulated Genes 1 (CREG1) ELISA Kit |
| <b>Reactivity</b>        | Human                                                                |
| <b>Range</b>             | 0.312-20ng/mL                                                        |
| <b>Note</b>              | For research use only                                                |
| <b>Application notes</b> | sandwich                                                             |
| <b>Sample Types</b>      | tissue homogenates, cell lysates or other biological fluids.         |
| <b>Uniprot ID</b>        | <b>075629</b>                                                        |
| <b>Sensitivity</b>       | 0.113ng/mL                                                           |
| <b>Entrez</b>            | <b>8804</b>                                                          |
| <b>Expiration Date</b>   | Please enquire.                                                      |
