

## Product Datasheet

# Human Excision Repair Cross Complementing Rodent Repair Deficiency Complementation 1 (ERCC1) ELISA Kit (orb1205576)

|                          |                                                                                                         |
|--------------------------|---------------------------------------------------------------------------------------------------------|
| <b>Description</b>       | Human Excision Repair Cross Complementing Rodent Repair Deficiency Complementation 1 (ERCC1) ELISA K... |
| <b>Reactivity</b>        | Human                                                                                                   |
| <b>Range</b>             | 0.156-10ng/mL                                                                                           |
| <b>Note</b>              | For research use only                                                                                   |
| <b>Application notes</b> | sandwich                                                                                                |
| <b>Sample Types</b>      | tissue homogenates, cell lysates or other biological fluids.                                            |
| <b>Uniprot ID</b>        | <b>P07992</b>                                                                                           |
| <b>Sensitivity</b>       | 0.065ng/mL                                                                                              |
| <b>Entrez</b>            | <b>2067</b>                                                                                             |
| <b>Expiration Date</b>   | Please enquire.                                                                                         |
