

## Product Datasheet

### Human Ecto-nx Disulfide-thiol Exchanger 1 ELISA Kit (orb1209174)

|                            |                                                            |
|----------------------------|------------------------------------------------------------|
| <b>Description</b>         | Human Ecto-nx Disulfide-thiol Exchanger 1, ENOX1 ELISA Kit |
| <b>Reactivity</b>          | Human                                                      |
| <b>Range</b>               | 15-3000ng/L                                                |
| <b>Tested Applications</b> | ELISA                                                      |
| <b>Target</b>              | ENOX1                                                      |
| <b>Storage</b>             | 2-8°C                                                      |
| <b>Note</b>                | For research use only                                      |
| <b>Application notes</b>   | Sandwich                                                   |
| <b>Sample Types</b>        | Serum, plasma, cell culture supernates                     |
| <b>MW</b>                  | 73,348                                                     |
| <b>Uniprot ID</b>          | <b>Q8TC92</b>                                              |
| <b>Solubility (25°C)</b>   | 3200ng/L                                                   |
| <b>Sensitivity</b>         | 7.69ng/L                                                   |
| <b>Entrez</b>              | <b>55068</b>                                               |
| <b>Expiration Date</b>     | Please enquire.                                            |
