

## Product Datasheet

# Human Complement C1Q Tumor Necrosis Factor-related Protein 2 ELISA Kit (orb1209838)

|                            |                                                                                       |
|----------------------------|---------------------------------------------------------------------------------------|
| <b>Description</b>         | Human Complement C1Q<br>Tumor Necrosis Factor-related<br>Protein 2, C1QTNF2 ELISA Kit |
| <b>Reactivity</b>          | Human                                                                                 |
| <b>Range</b>               | 0.05-20ng/ml                                                                          |
| <b>Tested Applications</b> | ELISA                                                                                 |
| <b>Target</b>              | C1QTNF2                                                                               |
| <b>Storage</b>             | 2-8°C                                                                                 |
| <b>Note</b>                | For research use only                                                                 |
| <b>Application notes</b>   | Sandwich                                                                              |
| <b>Sample Types</b>        | Serum, plasma, cell culture supernates                                                |
| <b>MW</b>                  | 29,952                                                                                |
| <b>Uniprot ID</b>          | <b>Q9BXJ5</b>                                                                         |
| <b>Solubility (25°C)</b>   | 24ng/ml                                                                               |
| <b>Sensitivity</b>         | 0.022ng/ml                                                                            |
| <b>Entrez</b>              | <b>114898</b>                                                                         |
| <b>Expiration Date</b>     | Please enquire.                                                                       |
