

## Product Datasheet

### Human Carbonic Anhydrase 5B ELISA Kit (orb1210553)

|                            |                                                               |
|----------------------------|---------------------------------------------------------------|
| <b>Description</b>         | Human Carbonic Anhydrase 5B,<br>Mitochondrial, CA5B ELISA Kit |
| <b>Reactivity</b>          | Human                                                         |
| <b>Range</b>               | 15-3000ng/L                                                   |
| <b>Tested Applications</b> | ELISA                                                         |
| <b>Target</b>              | CA5B                                                          |
| <b>Storage</b>             | 2-8°C                                                         |
| <b>Note</b>                | For research use only                                         |
| <b>Application notes</b>   | Sandwich                                                      |
| <b>Sample Types</b>        | Serum, plasma, cell culture supernates                        |
| <b>MW</b>                  | 36,434                                                        |
| <b>Uniprot ID</b>          | <b>Q9Y2D0</b>                                                 |
| <b>Solubility (25°C)</b>   | 3200ng/L                                                      |
| <b>Sensitivity</b>         | 8.17ng/L                                                      |
| <b>Entrez</b>              | <b>11238</b>                                                  |
| <b>Expiration Date</b>     | Please enquire.                                               |
