

Product Datasheet

Lymphoid Tissue Tissue Slide (Lymph Node - Normal) [Out of stock] (orb1227301)

Description	Lymphoid Tissue Tissue Slide (Lymph Node - Normal) [Out of stock]
Tested Applications	IHC
Storage	Stable for up to two years when stored in a cool, dry lab area.
Note	For research use only
Application notes	Biorbyt's human tissue slides can be used with any antibody shown to be effective in formalin-fixed tissue using a standard immunostaining protocol. In order to avoid false negative results from DNA or RNA sequences not being present in a 4 µm cellular cross-section, 10 µm tissue sections are recommended. 10 µm single tissue slides are available upon request. This product has not been evaluated for effectiveness in ISH or FISH applications.
Expiration Date	12 months from date of receipt.
