### TRIM28 Antibody (orb1242532)

| Description                | TRIM28 Antibody                                                                                                                                                                                                                          |  |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| <b>Species/Host</b>        | Rabbit                                                                                                                                                                                                                                   |                                                                                     |
| <b>Reactivity</b>          | Canine, Human                                                                                                                                                                                                                            | <p>Antibody used in WB on Human HepG2 at 1....</p>                                  |
| <b>Conjugation</b>         | Unconjugated                                                                                                                                                                                                                             |                                                                                     |
| <b>Tested Applications</b> | ELISA, WB                                                                                                                                                                                                                                |                                                                                     |
| <b>Immunogen</b>           | Antibody produced in rabbits immunized with a synthetic peptide corresponding a region of human TRIM28.                                                                                                                                  |                                                                                     |
| <b>Target</b>              | TRIM28                                                                                                                                                                                                                                   |                                                                                     |
| <b>Preservatives</b>       | Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                                                                                |                                                                                     |
| <b>Form/Appearance</b>     | Liquid                                                                                                                                                                                                                                   |                                                                                     |
| <b>Concentration</b>       | batch dependent                                                                                                                                                                                                                          |                                                                                     |
| <b>Storage</b>             | For short periods of storage (days) store at 4°C. For longer periods of storage, store TRIM28 antibody at -20°C. As with any antibody avoid repeat freeze-thaw cycles.                                                                   |                                                                                     |
| <b>Note</b>                | For research use only                                                                                                                                                                                                                    |                                                                                     |
| <b>Application notes</b>   | TRIM28 antibody can be used for detection of TRIM28 by ELISA at 1:312500. TRIM28 antibody can be used for detection of TRIM28 by western blot at 1.25 µg/mL, and HRP conjugated secondary antibody should be diluted 1:50,000 - 100,000. |                                                                                     |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                                                                               |                                                                                     |
| <b>MW</b>                  | 89 kDa                                                                                                                                                                                                                                   |                                                                                     |
