

## Product Datasheet

### PPP4C antibody (orb1314281)

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| <b>Description</b>         | Mouse monoclonal antibody to PPP4C                                                   |
| <b>Species/Host</b>        | Mouse                                                                                |
| <b>Reactivity</b>          | Human, Mouse, Rat                                                                    |
| <b>Conjugation</b>         | Unconjugated                                                                         |
| <b>Tested Applications</b> | IHC, WB                                                                              |
| <b>Immunogen</b>           | Full length human recombinant protein of human PPP4C (NP_002711) produced in E.coli. |
| <b>Target</b>              | PPP4C                                                                                |
| <b>Note</b>                | For research use only                                                                |
| <b>Isotype</b>             | IgG2a                                                                                |
| <b>Clonality</b>           | Monoclonal                                                                           |
| <b>Uniprot ID</b>          | <b>P60510</b>                                                                        |
| <b>NCBI</b>                | <b>NM_002720</b>                                                                     |
| <b>Dilution Range</b>      | WB 1:500~2000, IHC 1:2000                                                            |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                                      |
