

Product Datasheet

SKI antibody (orb1319855)

Description	Rabbit polyclonal antibody to SKI
Species/Host	Rabbit
Reactivity	Human
Conjugation	Unconjugated
Tested Applications	ELISA, WB
Immunogen	DNA immunization. This antibody is specific for the Middle Region of the target protein.
Target	SKI
Note	For research use only
Isotype	IgG
Clonality	Polyclonal
Uniprot ID	P12755
NCBI	NM_003036
Dilution Range	WB 1:5000~20000, ELISA 1:100-1:2000
Expiration Date	12 months from date of receipt.
