

Product Datasheet

Fibrinogen gamma chain (FGG) antibody (orb1320350)

Description	Mouse monoclonal antibody to Fibrinogen gamma chain (FGG)
Species/Host	Mouse
Reactivity	Human, Monkey, Mouse
Conjugation	Unconjugated
Tested Applications	IHC, WB
Immunogen	Full length human recombinant protein of human FGG(NP_000500) produced in HEK293T cell.
Target	FGG
Note	For research use only
Isotype	IgG1
Clonality	Monoclonal
MW	46.4 kDa
Uniprot ID	P02679
NCBI	NM_000509
Dilution Range	WB 1:400~4000, IHC 1:150
Expiration Date	12 months from date of receipt.

Western blot analysis of HEK293T cells w...
