

## Product Datasheet

# GEMC1 (GMNC) Human Over-expression Lysate (orb1339920)

|                        |                                                                                            |
|------------------------|--------------------------------------------------------------------------------------------|
| <b>Description</b>     | Transient overexpression lysate of geminin coiled-coil domain-containing protein 1 (GEMC1) |
| <b>Target</b>          | GMNC                                                                                       |
| <b>Note</b>            | For research use only                                                                      |
| <b>Uniprot ID</b>      | <b>A6NCL1</b>                                                                              |
| <b>Expiration Date</b> | 6 months from date of receipt.                                                             |
