

## Product Datasheet

### GPSM1 Human Over-expression Lysate (orb1340205)

|                        |                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | Transient overexpression lysate of G-protein signaling modulator 1 (AGS3-like, C. elegans) (GPSM1), ... |
| <b>Target</b>          | GPSM1                                                                                                   |
| <b>Note</b>            | For research use only                                                                                   |
| <b>Uniprot ID</b>      | <b>Q86YR5, A0A0A0MSK4</b>                                                                               |
| <b>Expiration Date</b> | 6 months from date of receipt.                                                                          |
