

## Product Datasheet

### DDI1 Human Over-expression Lysate (orb1342088)

|                        |                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | Transient overexpression lysate of DDI1, DNA-damage inducible 1, homolog 1 ( <i>S. cerevisiae</i> ) (DDI1) |
| <b>Target</b>          | DDI1                                                                                                       |
| <b>Note</b>            | For research use only                                                                                      |
| <b>Uniprot ID</b>      | <b>Q8WTU0</b>                                                                                              |
| <b>Expiration Date</b> | 6 months from date of receipt.                                                                             |
