

## Product Datasheet

# SLC25A29 Human Over-expression Lysate (orb1343339)

|                        |                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | Transient overexpression lysate of solute carrier family 25, member 29 (SLC25A29), nuclear gene enco... |
| <b>Target</b>          | SLC25A29                                                                                                |
| <b>Note</b>            | For research use only                                                                                   |
| <b>Uniprot ID</b>      | <b>Q8N8R3</b>                                                                                           |
| <b>Expiration Date</b> | 6 months from date of receipt.                                                                          |
