

Product Datasheet

ATP6V1F Human Over-expression Lysate (orb1345927)

Description	Transient overexpression lysate of ATPase, H ⁺ transporting, lysosomal 14kDa, V1 subunit F (ATP6V1F)
Target	ATP6V1F
Note	For research use only
Uniprot ID	A4D1K0, Q16864
Expiration Date	6 months from date of receipt.
