

Product Datasheet

Mitochondrial dicarboxylate carrier (SLC25A10) Human Over-expression Lysate (orb1367841)

Description	SLC25A10 HEK293T cell transient overexpression lysate (as WB positive control)
Target	SLC25A10
Note	For research use only
Uniprot ID	Q9UBX3 , A0A0S2Z382
Expiration Date	6 months from date of receipt.
