### NVP-BGJ398(Infigratinib) (orb146290)

|                        |                                                                                                                                                                                                                                           |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | BGJ398 (NVP-BGJ398) is a potent and selective FGFR inhibitor for FGFR1/2/3 with IC50 of 0.9 nM/1.4 nM...                                                                                                                                  |
| <b>Note</b>            | For research use only                                                                                                                                                                                                                     |
| <b>Formula</b>         | C <sub>26</sub> H <sub>31</sub> Cl <sub>2</sub> N <sub>7</sub> O <sub>3</sub>                                                                                                                                                             |
| <b>MW</b>              | 560.4754                                                                                                                                                                                                                                  |
| <b>CAS Number</b>      | [872511-34-7]                                                                                                                                                                                                                             |
| <b>SMILES</b>          | <chem>C1C(=C([H])C(=C(C=1N([H])C(N(C([H])([H])([H])C1C([H])=C(N=C([H])N=1)N([H])C1C([H])=C([H])C(=C([H])C=1[H])N1C([H])([H])C([H])([H])N(C([H])([H])C([H])([H])([H])C([H])([H])C1([H])([H])=O)Cl)OC([H])([H])([H])OC([H])([H])[H])</chem> |
| <b>Expiration Date</b> | 12 months from date of receipt.                                                                                                                                                                                                           |
