

## Product Datasheet

# Pyruvate Decarboxylase Microplate Assay Kit [Out of stock] (orb1494227)

|                            |                                                                                                    |
|----------------------------|----------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Detection and Quantification of Alcohol Dehydrogenase Activity.                                    |
| <b>Tested Applications</b> | FA                                                                                                 |
| <b>Storage</b>             | Shipped and store at 4°C for 6 months.                                                             |
| <b>Note</b>                | For research use only                                                                              |
| <b>Application notes</b>   | Colorimetric                                                                                       |
| <b>Sample Types</b>        | Urine, Serum, Plasma, Tissue extracts, Cell lysate, Cell culture media and Other biological fluids |
| <b>CAS Number</b>          | 2593679                                                                                            |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                                                    |
