

## Product Datasheet

### Chloride Channel 5 antibody (orb156354)

|                            |                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------|
| <b>Description</b>         | Chloride Channel 5 antibody                                                                |
| <b>Species/Host</b>        | Rabbit                                                                                     |
| <b>Conjugation</b>         | Unconjugated                                                                               |
| <b>Tested Applications</b> | ELISA, ICC, IF, IHC-Fr, IHC-P                                                              |
| <b>Immunogen</b>           | KLH conjugated synthetic peptide derived from human Chloride Channel 5/CLC5 (1-100/746 aa) |
| <b>Target</b>              | Chloride Channel 5                                                                         |
| <b>Preservatives</b>       | 0.01M TBS(pH7.4) with 1% rAlbumin, 0.03% Proclin300 and 50% Glycerol.                      |
| <b>Form/Appearance</b>     | Liquid                                                                                     |
| <b>Concentration</b>       | 1mg/ml                                                                                     |
| <b>Storage</b>             | Shipped at 4°C. Store at -20 °C for one year. Avoid repeated freeze/thaw cycles.           |
| <b>Note</b>                | For research use only                                                                      |
| <b>Isotype</b>             | IgG                                                                                        |
| <b>Clonality</b>           | Polyclonal                                                                                 |
| <b>MW</b>                  | 83 kDa                                                                                     |
| <b>Uniprot ID</b>          | <b>P51795</b>                                                                              |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                                            |
