

## Product Datasheet

### TRIM22 antibody (orb158646)

|                            |                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------|
| <b>Description</b>         | TRIM22 antibody                                                                           |
| <b>Species/Host</b>        | Rabbit                                                                                    |
| <b>Reactivity</b>          | Human                                                                                     |
| <b>Conjugation</b>         | Unconjugated                                                                              |
| <b>Tested Applications</b> | WB                                                                                        |
| <b>Immunogen</b>           | KLH conjugated synthetic peptide derived from Human Trim22/Staf-50/RNF94 (231-330/498 aa) |
| <b>Target</b>              | Trim22                                                                                    |
| <b>Preservatives</b>       | 0.01M TBS(pH7.4) with 1% rAlbumin, 0.03% Proclin300 and 50% Glycerol.                     |
| <b>Form/Appearance</b>     | Liquid                                                                                    |
| <b>Concentration</b>       | 1mg/ml                                                                                    |
| <b>Storage</b>             | Shipped at 4°C. Store at -20 °C for one year. Avoid repeated freeze/thaw cycles.          |
| <b>Note</b>                | For research use only                                                                     |
| <b>Isotype</b>             | IgG                                                                                       |
| <b>Clonality</b>           | Polyclonal                                                                                |
| <b>MW</b>                  | 57 kDa                                                                                    |
| <b>Uniprot ID</b>          | <b>Q8IYM9</b>                                                                             |
| <b>Dilution Range</b>      | WB=1:500-2000                                                                             |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                                           |

Western blot analysis of extracts from R...
