

## Product Datasheet

### OXi-4503 (orb181417)

|                        |                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | Combretastatin A1 diphosphate OXi4503 is the diphosphate prodrug of the stilbenoid combretastatin A1... |
| <b>Note</b>            | For research use only                                                                                   |
| <b>Formula</b>         | $C_{18}H_{22}O_{12}P_2$                                                                                 |
| <b>MW</b>              | 492.307604                                                                                              |
| <b>CAS Number</b>      | [288847-35-8]                                                                                           |
| <b>SMILES</b>          | <chem>[H2O3PO]C1=C(OC)C=CC(/C=CC2=CC(OC)=C(OC)C(OC)=C2)=C1OP(O)(O)=O</chem>                             |
| <b>Expiration Date</b> | 12 months from date of receipt.                                                                         |
