### ALPP Antibody (HRP) (orb1814515)

|                            |                                                                                    |
|----------------------------|------------------------------------------------------------------------------------|
| <b>Description</b>         | ALPP Antibody (HRP)                                                                |
| <b>Species/Host</b>        | Mouse                                                                              |
| <b>Reactivity</b>          | Human                                                                              |
| <b>Conjugation</b>         | HRP                                                                                |
| <b>Tested Applications</b> | IHC-P                                                                              |
| <b>Immunogen</b>           | KLH conjugated synthetic peptide derived from human Placental alkaline phosphatase |
| <b>Target</b>              | ALPP                                                                               |
| <b>Preservatives</b>       | Liquid in PBS containing 50% glycerol, 0.5% rAlbumin and 0.02% sodium azide.       |
| <b>Concentration</b>       | 1mg/ml                                                                             |
| <b>Storage</b>             | Shipped at 4°C. Store at -20 °C for one year. Avoid repeated freeze/thaw cycles.   |
| <b>Note</b>                | For research use only                                                              |
| <b>Isotype</b>             | IgG1/kappa                                                                         |
| <b>Clonality</b>           | Monoclonal                                                                         |
| <b>Uniprot ID</b>          | <b>P05187</b>                                                                      |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                                    |
