

Product Datasheet

DNA/RNA Damage antibody (orb181847)

Description	Mouse monoclonal antibody against DNA/RNA Damage, conjugated to RPE.
Species/Host	Mouse
Reactivity	All
Conjugation	RPE
Tested Applications	DOT, ELISA, FA, FC, ICC, IHC, IP
Immunogen	8-hydroxy-guanosine-BSA and -casein conjugates
Target	DNA Damage
Preservatives	PBS, 50% glycerol, 0.09% sodium azide *Storage buffer may be subject to change
Concentration	1 mg/ml
Storage	Conjugated antibodies should be stored at 4°C
Note	For research use only
Isotype	IgG2b
Clonality	Monoclonal
Dilution Range	IHC (1:1000)
Expiration Date	12 months from date of receipt.
