

## Product Datasheet

# Zebrafish CCL2 (MCP-1) Recombinant Protein (orb1819917)

|                         |                                                                                                                                                                               |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>      | The Zebrafish CCL2 yeast-derived recombinant protein is not tagged and is naturally endotoxin-free. ...                                                                       |
| <b>Target</b>           | CCL2                                                                                                                                                                          |
| <b>Form/Appearance</b>  | Lyophilized                                                                                                                                                                   |
| <b>Storage</b>          | -20°C                                                                                                                                                                         |
| <b>Note</b>             | For research use only                                                                                                                                                         |
