

## Product Datasheet

# SARS-CoV-2 CA.3.1 Omicron Variant Recombinant Spike Trimer His Tag (orb1945931)

|                            |                                                                                                                 |
|----------------------------|-----------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | SARS-CoV-2 CA.3.1 Omicron Variant Recombinant Spike Trimer His Tag                                              |
| <b>Reactivity</b>          | Other                                                                                                           |
| <b>Tested Applications</b> | ELISA                                                                                                           |
| <b>Preservatives</b>       | 1X PBS, 0.025% NaN <sub>3</sub>                                                                                 |
| <b>Concentration</b>       | 0.5 mg/ml                                                                                                       |
| <b>Storage</b>             | 2-8°C                                                                                                           |
| <b>Tag</b>                 | Unconjugated                                                                                                    |
| <b>Note</b>                | For research use only                                                                                           |
| <b>Isotype</b>             | SARS-CoV-2                                                                                                      |
| <b>Dilution Range</b>      | Control antigen for SARS-CoV-2 (COVID-19) diagnostic assays. Contains C-terminal His tag used for purification. |
| <b>Expiration Date</b>     | 6 months from date of receipt.                                                                                  |
