

## Product Datasheet

### DDX19B antibody (orb19584)

|                            |                                                                                                                                                                                                                                                 |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Goat polyclonal antibody to DDX19B                                                                                                                                                                                                              |
| <b>Species/Host</b>        | Goat                                                                                                                                                                                                                                            |
| <b>Reactivity</b>          | Canine, Human, Mouse, Rat                                                                                                                                                                                                                       |
| <b>Conjugation</b>         | Unconjugated                                                                                                                                                                                                                                    |
| <b>Tested Applications</b> | ELISA, WB                                                                                                                                                                                                                                       |
| <b>Target</b>              | DBP5 / DDX19                                                                                                                                                                                                                                    |
| <b>Preservatives</b>       | Supplied at 0.5 mg/ml in Tris saline, 0.02% sodium azide, pH 7.3 with 0.5% bovine serum albumin. Aliquot and store at -20°C. Minimize freezing and thawing.                                                                                     |
| <b>Storage</b>             | Aliquot and store at -20°C. Minimize freezing and thawing.                                                                                                                                                                                      |
| <b>Note</b>                | For research use only                                                                                                                                                                                                                           |
| <b>Application notes</b>   | ELISA: Peptide ELISA: antibody detection limit dilution 1:4000.WB: Approx 50kDa band observed in lysates of human ovary and of cell line K562 (calculated MW of 50.5kDa according to NP_001014451.1). Recommended concentration: 0.5-1.5 µg/ml. |
| <b>Protein Sequence</b>    | DLPVDKDGNPDNETY                                                                                                                                                                                                                                 |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                                                                                      |
| <b>MW</b>                  | 53.9; 50.5; 41.8; 54.0                                                                                                                                                                                                                          |
| <b>Entrez</b>              | <a href="#">11269</a> , <a href="#">55308</a>                                                                                                                                                                                                   |
| <b>Dilution Range</b>      | ELISA: 1:4000, WB: 0.5-1.5 µg/ml                                                                                                                                                                                                                |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                                                                                                                                                                                                 |
