### C1D antibody (orb20098)

|                            |                                                                                                                                                                                                                                                                                                                          |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Goat polyclonal to C1D                                                                                                                                                                                                                                                                                                   |
| <b>Species/Host</b>        | Goat                                                                                                                                                                                                                                                                                                                     |
| <b>Reactivity</b>          | Human                                                                                                                                                                                                                                                                                                                    |
| <b>Conjugation</b>         | Unconjugated                                                                                                                                                                                                                                                                                                             |
| <b>Tested Applications</b> | ELISA, WB                                                                                                                                                                                                                                                                                                                |
| <b>Target</b>              | C1D                                                                                                                                                                                                                                                                                                                      |
| <b>Preservatives</b>       | Supplied at 0.5 mg/ml in Tris saline, 0.02% sodium azide, pH 7.3 with 0.5% bovine serum albumin. Aliquot and store at -20°C. Minimize freezing and thawing.                                                                                                                                                              |
| <b>Storage</b>             | Aliquot and store at -20°C. Minimize freezing and thawing.                                                                                                                                                                                                                                                               |
| <b>Note</b>                | For research use only                                                                                                                                                                                                                                                                                                    |
| <b>Application notes</b>   | Reported variants represent identical protein: NP_006324.1, NP_775269.1.ELISA: Peptide ELISA: antibody detection limit dilution 1:128000.WB: Approx. 14kDa band observed in Human Skeletal Muscle lysates (calculated MW of 16.0kDa according to NP_775269.1 and NP_775269.1). Recommended concentration: 0.1-0.3 µg/ml. |
