

## Product Datasheet

# Transcriptional enhancer factor TEF-5 antibody (HRP) (orb242076)

|                            |                                                                                   |
|----------------------------|-----------------------------------------------------------------------------------|
| <b>Description</b>         | Transcriptional enhancer factor<br>TEF-5 antibody (HRP)                           |
| <b>Species/Host</b>        | Rabbit                                                                            |
| <b>Reactivity</b>          | Human                                                                             |
| <b>Conjugation</b>         | HRP                                                                               |
| <b>Tested Applications</b> | ELISA                                                                             |
| <b>Immunogen</b>           | Recombinant Human<br>Transcriptional enhancer factor<br>TEF-5 protein (112-435AA) |
| <b>Target</b>              | TEAD3                                                                             |
| <b>Preservatives</b>       | Preservative: 0.03% Proclin 300.<br>Constituents: 50% Glycerol                    |
| <b>Form/Appearance</b>     | Liquid                                                                            |
| <b>Storage</b>             | Upon receipt, store at -20°C or -<br>80°C. Avoid repeated freeze.                 |
| <b>Note</b>                | For research use only                                                             |
| <b>Isotype</b>             | IgG                                                                               |
| <b>Clonality</b>           | Polyclonal                                                                        |
| <b>Uniprot ID</b>          | <a href="#">Q99594</a>                                                            |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                                   |
