

## Product Datasheet

### ESR1 (phospho-S106) peptide (orb256816)

|                            |                                                                                                                                                                                                                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | The peptide is used to anti ESR1 (phospho-S106) antibody reactivity.                                                                                                                                                                                                                      |
| <b>Reactivity</b>          | Human, Mouse, Primate, Rabbit, Rat                                                                                                                                                                                                                                                        |
| <b>Tested Applications</b> | Blocking                                                                                                                                                                                                                                                                                  |
| <b>Target</b>              | ESR1                                                                                                                                                                                                                                                                                      |
| <b>Form/Appearance</b>     | Lyophilized powder                                                                                                                                                                                                                                                                        |
| <b>Storage</b>             | Shipped at 4°C. Store at -20°C for one year.                                                                                                                                                                                                                                              |
| <b>Note</b>                | For research use only                                                                                                                                                                                                                                                                     |
| <b>Application notes</b>   | This peptide was used as immunogen to produce orb256526 (ESR1 (phospho-S106) antibody)Experiment Notes: Blocking Peptide to the diluted primary antibody in a molar ratio of 10:1 (peptide to antibody) and incubate the mixture at 4°C for overnight or at room temperature for 2 hours. |
| <b>Purity</b>              | > 85%                                                                                                                                                                                                                                                                                     |
| <b>Source</b>              | Synthetic                                                                                                                                                                                                                                                                                 |
