

## Product Datasheet

### MAB21L1 antibody (orb29691)

|                            |                                                                             |
|----------------------------|-----------------------------------------------------------------------------|
| <b>Description</b>         | MAB21L1 antibody                                                            |
| <b>Species/Host</b>        | Rabbit                                                                      |
| <b>Reactivity</b>          | Human                                                                       |
| <b>Conjugation</b>         | Unconjugated                                                                |
| <b>Tested Applications</b> | ELISA, IHC, WB                                                              |
| <b>Immunogen</b>           | Recombinant Human Putative nucleotidyltransferase MAB21L1 protein (1-359AA) |
| <b>Target</b>              | MAB21L1                                                                     |
| <b>Preservatives</b>       | Preservative: 0.03% Proclin 300. Constituents: 50% Glycerol                 |
| <b>Form/Appearance</b>     | Liquid                                                                      |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.               |
| <b>Note</b>                | For research use only                                                       |
| <b>Isotype</b>             | IgG                                                                         |
| <b>Clonality</b>           | Polyclonal                                                                  |
| <b>Uniprot ID</b>          | <a href="#">Q13394</a>                                                      |
| <b>Dilution Range</b>      | WB:1:1000-5000, IHC-P:1:20-200                                              |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                             |
