

## Product Datasheet

### Salvianolic acid B (orb315289)

|                        |                                                                                                                                               |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | Salvianolic acid B is a cell protective antioxidant and free radical scavenger being investigated fo...                                       |
| <b>Note</b>            | For research use only                                                                                                                         |
| <b>Formula</b>         | $C_{36}H_{30}O_{16}$                                                                                                                          |
| <b>MW</b>              | 718.63                                                                                                                                        |
| <b>CAS Number</b>      | [121521-90-2]                                                                                                                                 |
| <b>SMILES</b>          | <chem>C1=CC(=C(C=C1C[C@H](C(=O)O)OC(=O)/C=C\C2=C3[C@H]([C@@H](OC3=C(C=C2)O)C4=CC(=C(C=C4)O)O)C(=O)O[C@H](CC5=CC(=C(C=C5)O)O)C(=O)O)O)O</chem> |
| <b>Expiration Date</b> | 12 months from date of receipt.                                                                                                               |
