

## Product Datasheet

### Alvimopan dihydrate (orb320233)

|                        |                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | Alvimopan(LY 246736; ADL 8-2698) is a peripherally acting mu-opioid receptor (PAM-OR, IC50= 1.7 nM) ... |
| <b>Note</b>            | For research use only                                                                                   |
| <b>Formula</b>         | C <sub>25</sub> H <sub>36</sub> N <sub>2</sub> O <sub>6</sub>                                           |
| <b>MW</b>              | 460.56                                                                                                  |
| <b>CAS Number</b>      | [170098-38-1]                                                                                           |
| <b>SMILES</b>          | O.O.OC(CNC([C@H])(CN1CC[C@](C2C=CC=C(O)C=2)(C)[C@@H](C)C1)C1C=CC=CC=1)=O)=O                             |
| <b>Expiration Date</b> | 12 months from date of receipt.                                                                         |
