

## Product Datasheet

### Caerulomycin A (orb321950)

|                           |                                                                                                                                                                                          |
|---------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>        | Caerulomycin A                                                                                                                                                                           |
| <b>Storage</b>            | Storage Temp: -20°C                                                                                                                                                                      |
| <b>Note</b>               | For research use only                                                                                                                                                                    |
| <b>Formula</b>            | C <sub>12</sub> H <sub>11</sub> N <sub>3</sub> O <sub>2</sub>                                                                                                                            |
| <b>Purity</b>             | ≥96%                                                                                                                                                                                     |
| <b>MW</b>                 | 229.23                                                                                                                                                                                   |
| <b>CAS Number</b>         | 21802-37-9                                                                                                                                                                               |
| <b>SMILES</b>             | COC1=CC(=CN=O)NC(=C1)C2=CC=CC=N2                                                                                                                                                         |
| <b>Hazard Information</b> | UN Number: UN number: 2811 Class: 6.1 Packing group: III<br>Proper shipping name: Toxic solids, organic, n.o.s.<br>(Caerulomycin A) Marine pollutant: No Poison Inhalation<br>Hazard: No |
| <b>Expiration Date</b>    | 12 months from date of receipt.                                                                                                                                                          |
