

## Product Datasheet

### Cytisine (orb322446)

|                           |                                                                                                                                                                                 |
|---------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>        | Cytisine                                                                                                                                                                        |
| <b>Storage</b>            | Storage Temp: 4°C                                                                                                                                                               |
| <b>Note</b>               | For research use only                                                                                                                                                           |
| <b>Formula</b>            | C <sub>11</sub> H <sub>14</sub> N <sub>2</sub> O                                                                                                                                |
| <b>Purity</b>             | ≥98%                                                                                                                                                                            |
| <b>MW</b>                 | 190.24                                                                                                                                                                          |
| <b>CAS Number</b>         | 485-35-8                                                                                                                                                                        |
| <b>SMILES</b>             | C1C2CNCC1C3=CC=CC(=O)N3C2                                                                                                                                                       |
| <b>Hazard Information</b> | Chemical Hazard Code: T, Xi. UN Number: UN number: 1544<br>Class: 6.1 Packing Group: III Proper shipping name: Alkaloids, solid, n.o.s. (Cytisine) Poison inhalation hazard: No |
| <b>Expiration Date</b>    | 12 months from date of receipt.                                                                                                                                                 |

Chemical structure of Cytisine
