

## Product Datasheet

### DAA1106 (orb342245)

|                        |                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------|
| <b>Description</b>     | DAA1106 is a potent and selective ligand for peripheral benzodiazepine receptors, in mitochondrial f... |
| <b>Note</b>            | For research use only                                                                                   |
| <b>Formula</b>         | C <sub>23</sub> H <sub>22</sub> NO <sub>4</sub> F                                                       |
| <b>MW</b>              | 395.42348                                                                                               |
| <b>CAS Number</b>      | [220551-92-8]                                                                                           |
| <b>SMILES</b>          | CC(N(CC1=CC(OC)=CC=C1OC)C2=CC(F)=CC=C2OC3=CC=CC=C3)=O                                                   |
| <b>Expiration Date</b> | 12 months from date of receipt.                                                                         |
