

## Product Datasheet

### ABT-719 HCl (orb342247)

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| <b>Description</b>     | ABT-719 is a potent bacterial DNA gyrase inhibitor.                  |
| <b>Note</b>            | For research use only                                                |
| <b>Formula</b>         | C <sub>18</sub> H <sub>20</sub> N <sub>3</sub> O <sub>3</sub> F      |
| <b>MW</b>              | 345.3681                                                             |
| <b>CAS Number</b>      | [162763-53-3]                                                        |
| <b>SMILES</b>          | <chem>N[C@H]1CCN(C2C(F)=CN3C(C(=CC(C4CC4)=C3C=2C)C(=O)O)=O)C1</chem> |
| <b>Expiration Date</b> | 12 months from date of receipt.                                      |
