

## Product Datasheet

### ZMAT5 antibody (orb351469)

|                            |                                                                       |
|----------------------------|-----------------------------------------------------------------------|
| <b>Description</b>         | ZMAT5 antibody                                                        |
| <b>Species/Host</b>        | Rabbit                                                                |
| <b>Reactivity</b>          | Human                                                                 |
| <b>Conjugation</b>         | Unconjugated                                                          |
| <b>Tested Applications</b> | ELISA, IHC, WB                                                        |
| <b>Immunogen</b>           | Recombinant Human Zinc finger matrin-type protein 5 protein (1-170AA) |
| <b>Target</b>              | ZMAT5                                                                 |
| <b>Preservatives</b>       | Preservative: 0.03% Proclin 300. Constituents: 50% Glycerol           |
| <b>Form/Appearance</b>     | Liquid                                                                |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.         |
| <b>Note</b>                | For research use only                                                 |
| <b>Isotype</b>             | IgG                                                                   |
| <b>Clonality</b>           | Polyclonal                                                            |
| <b>Uniprot ID</b>          | <a href="#">Q9UDW3</a>                                                |
| <b>Dilution Range</b>      | WB:1:500-1:2000, IHC-P:1:20-1:200                                     |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                       |
