

## Product Datasheet

### IL20RB antibody (orb352701)

|                            |                                                                           |
|----------------------------|---------------------------------------------------------------------------|
| <b>Description</b>         | IL20RB antibody                                                           |
| <b>Species/Host</b>        | Rabbit                                                                    |
| <b>Reactivity</b>          | Human                                                                     |
| <b>Conjugation</b>         | Unconjugated                                                              |
| <b>Tested Applications</b> | ELISA, IHC                                                                |
| <b>Immunogen</b>           | Recombinant Human Interleukin-20 receptor subunit beta protein (48-177AA) |
| <b>Target</b>              | IL20RB                                                                    |
| <b>Preservatives</b>       | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                         |
| <b>Form/Appearance</b>     | Liquid                                                                    |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.             |
| <b>Note</b>                | For research use only                                                     |
| <b>Isotype</b>             | IgG                                                                       |
| <b>Clonality</b>           | Polyclonal                                                                |
| <b>Uniprot ID</b>          | <b>Q6UXLO</b>                                                             |
| <b>Dilution Range</b>      | IHC-P:1:20-1:200                                                          |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                           |
