

## Product Datasheet

### IRF3 peptide (orb382428)

|                            |                                                                                                                                                                                                                                                                               |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | The peptide is used to block anti-IRF3 antibody reactivity                                                                                                                                                                                                                    |
| <b>Reactivity</b>          | Human                                                                                                                                                                                                                                                                         |
| <b>Tested Applications</b> | Blocking                                                                                                                                                                                                                                                                      |
| <b>Target</b>              | IRF3                                                                                                                                                                                                                                                                          |
| <b>Form/Appearance</b>     | Lyophilized powder                                                                                                                                                                                                                                                            |
| <b>Storage</b>             | Shipped at 4°C. Store at -20°C for one year.                                                                                                                                                                                                                                  |
| <b>Note</b>                | For research use only                                                                                                                                                                                                                                                         |
| <b>Application notes</b>   | This peptide was used as immunogen to produce orb382703 (IRF3 antibody)Experiment Notes:<br>Blocking Peptide to the diluted primary antibody in a molar ratio of 10:1 (peptide to antibody) and incubate the mixture at 4°C for overnight or at room temperature for 2 hours. |
| <b>Purity</b>              | > 85%                                                                                                                                                                                                                                                                         |
