

## Product Datasheet

### BTNL2 antibody (orb40084)

|                            |                                                                   |
|----------------------------|-------------------------------------------------------------------|
| <b>Description</b>         | BTNL2 antibody                                                    |
| <b>Species/Host</b>        | Rabbit                                                            |
| <b>Reactivity</b>          | Human, Mouse                                                      |
| <b>Conjugation</b>         | Unconjugated                                                      |
| <b>Tested Applications</b> | ELISA, IHC, WB                                                    |
| <b>Immunogen</b>           | Recombinant Human Butyrophilin-like protein 2 protein (246-455AA) |
| <b>Target</b>              | BTNL2                                                             |
| <b>Preservatives</b>       | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                 |
| <b>Form/Appearance</b>     | Liquid                                                            |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.     |
| <b>Note</b>                | For research use only                                             |
| <b>Isotype</b>             | IgG                                                               |
| <b>Clonality</b>           | Polyclonal                                                        |
| <b>Uniprot ID</b>          | <b>Q9UIR0</b>                                                     |
| <b>Dilution Range</b>      | IHC-P:1:20-200                                                    |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                   |
