

## Product Datasheet

### Rat TNFsR-I ELISA Kit (orb411370)

|                          |                                                                 |
|--------------------------|-----------------------------------------------------------------|
| <b>Description</b>       | Rat Tumor necrosis factor soluble receptor I, TNFsR-I ELISA KIT |
| <b>Reactivity</b>        | Rat                                                             |
| <b>Range</b>             | 15.6 pg/mL-1000 pg/mL                                           |
| <b>Target</b>            | TNFsR1                                                          |
| <b>Note</b>              | For research use only                                           |
| <b>Application notes</b> | Detection Wavelength: 450 nm                                    |
| <b>Sample Types</b>      | serum, plasma, tissue homogenates                               |
| <b>Uniprot ID</b>        | <b>P22934</b>                                                   |
| <b>Sensitivity</b>       | 3.9 pg/mL                                                       |
| <b>Expiration Date</b>   | Please enquire.                                                 |
