

## Product Datasheet

### UQCR10 antibody (orb41189)

|                            |                                                                      |
|----------------------------|----------------------------------------------------------------------|
| <b>Description</b>         | UQCR10 antibody                                                      |
| <b>Species/Host</b>        | Rabbit                                                               |
| <b>Reactivity</b>          | Human                                                                |
| <b>Conjugation</b>         | Unconjugated                                                         |
| <b>Tested Applications</b> | ELISA, IHC, WB                                                       |
| <b>Immunogen</b>           | Recombinant Human Cytochrome b-c1 complex subunit 9 protein (1-63AA) |
| <b>Target</b>              | UQCR10                                                               |
| <b>Preservatives</b>       | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                    |
| <b>Form/Appearance</b>     | Liquid                                                               |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.        |
| <b>Note</b>                | For research use only                                                |
| <b>Isotype</b>             | IgG                                                                  |
| <b>Clonality</b>           | Polyclonal                                                           |
| <b>Uniprot ID</b>          | <a href="https://www.uniprot.org/entry/Q9UDW1">Q9UDW1</a>            |
| <b>Dilution Range</b>      | WB:1:1000-5000, IHC-P:1:20-200                                       |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                      |
