

## Product Datasheet

### GPR39 antibody (orb414765)

|                            |                                                                     |
|----------------------------|---------------------------------------------------------------------|
| <b>Description</b>         | GPR39 antibody                                                      |
| <b>Species/Host</b>        | Rabbit                                                              |
| <b>Reactivity</b>          | Human                                                               |
| <b>Conjugation</b>         | Unconjugated                                                        |
| <b>Tested Applications</b> | ELISA, IF, IHC                                                      |
| <b>Immunogen</b>           | Recombinant Human G-protein coupled receptor 39 protein (345-453AA) |
| <b>Target</b>              | GPR39                                                               |
| <b>Preservatives</b>       | Preservative: 0.03% Proclin 300. Constituents: 50% Glycerol         |
| <b>Form/Appearance</b>     | Liquid                                                              |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.       |
| <b>Note</b>                | For research use only                                               |
| <b>Isotype</b>             | IgG                                                                 |
| <b>Clonality</b>           | Polyclonal                                                          |
| <b>Uniprot ID</b>          | <a href="#">O43194</a>                                              |
| <b>Dilution Range</b>      | IHC-P:1:20-200, IF:1:200-500                                        |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                     |
