

## Product Datasheet

### NMS-E628 (orb419422)

|                           |                                                                                      |
|---------------------------|--------------------------------------------------------------------------------------|
| <b>Description</b>        | NMS-E628                                                                             |
| <b>Storage</b>            | Storage Temp: -20°C                                                                  |
| <b>Note</b>               | For research use only                                                                |
| <b>Purity</b>             | ≥98%                                                                                 |
| <b>MW</b>                 | 560.64                                                                               |
| <b>CAS Number</b>         | 1108743-60-7                                                                         |
| <b>SMILES</b>             | <chem>CN1CCN(CC1)c2ccc(c(c2)NC3CCOCC3)C(=O)Nc4c5cc(ccc5[nH]n4)Cc6cc(cc(c6)F)F</chem> |
| <b>Solubility (25°C)</b>  | DMSO,100mg/mL Ethanol,100mg/mL Water,1mg/mL                                          |
| <b>Hazard Information</b> | UN Number: Not dangerous goods                                                       |
| <b>Expiration Date</b>    | 12 months from date of receipt.                                                      |
