

Product Datasheet

BETA AMYLOID Peptide (orb429671)

Description	BETA AMYLOID Peptide
Reactivity	Human
Tested Applications	ELISA
Target	BETA AMYLOID
Preservatives	None present
Form/Appearance	Purified synthetic human amyloid beta protein (aa1-40) - lyophilized.
Storage	-20°C after reconstitution
Note	For research use only
Application notes	(aa1-40)
Purity	Purified
Expiration Date	12 months from date of receipt.
