

## Product Datasheet

### CD62L antibody (RPE) (orb432163)

|                            |                                                                                                    |
|----------------------------|----------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Mouse monoclonal antibody against CD62L conjugated to RPE                                          |
| <b>Species/Host</b>        | Mouse                                                                                              |
| <b>Reactivity</b>          | Human                                                                                              |
| <b>Conjugation</b>         | RPE                                                                                                |
| <b>Tested Applications</b> | FC                                                                                                 |
| <b>Immunogen</b>           | PHA stimulated lymphoblasts                                                                        |
| <b>Target</b>              | CD62L                                                                                              |
| <b>Preservatives</b>       | 0.09% sodium azide (NaN <sub>3</sub> )1% bovine serum albumin5% sucrose. Phosphate buffered saline |
| <b>Form/Appearance</b>     | Purified IgG conjugated to R. Phycoerythrin (RPE) - lyophilized                                    |
| <b>Storage</b>             | +4°C DO NOT FREEZE                                                                                 |
| <b>Note</b>                | For research use only                                                                              |
| <b>Isotype</b>             | IgG2b                                                                                              |
| <b>Clonality</b>           | Monoclonal                                                                                         |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                                                    |
