

## Product Datasheet

### SIGLEC-9 antibody (FITC) (orb434870)

|                            |                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------|
| <b>Description</b>         | Mouse monoclonal antibody against SIGLEC-9 conjugated to FITC                             |
| <b>Species/Host</b>        | Mouse                                                                                     |
| <b>Reactivity</b>          | Human                                                                                     |
| <b>Conjugation</b>         | FITC                                                                                      |
| <b>Tested Applications</b> | FACS, ICC, IF                                                                             |
| <b>Immunogen</b>           | Recombinant Siglec-9 fused to Fc region of human IgG.                                     |
| <b>Target</b>              | SIGLEC-9                                                                                  |
| <b>Preservatives</b>       | 0.09% Sodium Azide (NaN <sub>3</sub> ) 1% Bovine Serum Albumin. Phosphate buffered saline |
| <b>Form/Appearance</b>     | Purified IgG conjugated to Fluorescein Isothiocyanate Isomer 1 (FITC) - liquid            |
| <b>Concentration</b>       | 0.1mg/ml                                                                                  |
| <b>Storage</b>             | +4°C, -20°C if preferred                                                                  |
| <b>Note</b>                | For research use only                                                                     |
| <b>Isotype</b>             | IgG1                                                                                      |
| <b>Clonality</b>           | Monoclonal                                                                                |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                                           |
